

Ajay Sharma, B. Pharm., Ph.D.

Ajay Sharma, B. Pharm., Ph.D., is an Associate professor of pharmacology at Chapman University School of Pharmacy, Irvine, California, USA. Dr. Sharma obtained his bachelor's and master's degrees in pharmacy and a Ph.D. in pharmacology from India. He did postdoctoral fellowships at the University of Washington, Seattle; Cole Eye Institute, Cleveland Clinic; and Mason Eye Institute, University of Missouri. The focus of his lab's research is ocular surface injury due to systemic diseases, especially Graft versus Host Disease and Diabetes mellitus. His research is funded through the National Eye Institute (NEI), foundation grants, and ophthalmic industry collaborations. He has published over 70 research articles and 4 book chapters. Currently, he serves on the editorial board of *Frontiers in Pharmacology* and *The Ocular Surface* and is a standing member of the NEI study section.
